

Getting the Most Out of Your Learning Experience

If you want to read the quiz questions before reviewing your issue or as you listen to the issue, you can print the quiz questions, which are in a PDF document on the audio CD. To do this, insert the CD into your computer and click "Open Files To View Folder using Windows Explorer." For MAC users, click on Quiz file and print the questions. The PDF file also contains the answers to last month's issue.
